Stonegate Plaza Van Dyke

Exciting news, Van Dyke have retained the world famous Michael McCann to paint artistic impressions of the development. The application is in its final stage with an anticipated Community Council date for January 19th, 2016.

Councillor Di Ciano has received suggestions with regards to the allocation of Section 37 funds. At this time Section 37 funds (\$ amounts) are still being discussed. All requests and suggestions will be reviewed equally. Should you wish to present your suggestions to Community Council you may attend an evening session at the January 19th, 2016 Community Council meeting. Under counsel of The Planning Department the local councillor allocates Section 37 funds. However, residents should feel free to email or call us with their suggestions.

Rona Lands

A final report is targeted for the last quarter of 2015. However this will be dependent on the applicant submitting revised drawings that address concerns. Another public meeting will be held with Councillor Campbell (this application is in Ward 4) and we will advise.

Swiss Chalet Site

The applicant, RioCan, has made revisions to the original plans presented to The Councillor and staff. Once more finalized plans are received Councillor Di Ciano will host a community meeting. We anticipate this meeting will occur Winter 2015/16.
