\*Content/timeline is accurate at time of printing.

#### Work Description

- The contractor will be on-site to install new traction power components at Kipling Station.
- Crews will be operating vacuum trucks throughout construction, including overnight. These trucks do generate some unavoidable noise.

Efforts will be made to keep noise level to a minimum.

#### Work Hours

- Installation work will be ongoing throughout the weekend, including overnight.
- Crews will arrive on site at 2 a.m. on Saturday, August 19, 2017 and will leave by 5 a.m. on Monday, August 21, 2017

#### Pedestrian, traffic and transit information:

- This work is co-ordinated with the scheduled weekend subway closure from Kipling to Islington station. Regular subway service will resume at 6 a.m. on Monday, August 21, 2017.
- The Passenger Pick-up and Drop-off automatic entrance will be closed to vehicular traffic. The entrance remains open for customer use. Please use the main entrance if you require vehicular access.
