Memorandum

To: Residents on Old Oak Drive

From: Frank Bartolac – Consulting Engineer - The Odan/Detech Group Inc.

Date: November 8, 2017

**Re: Notification of Commencement of Construction Works at Old Oak Drive –
Sanitary Sewer & Watermain Extension**

Dear Resident:

Please be advised that the municipal sanitary sewer and watermain located on Old Oak Drive, will be extended within the municipal right of way, between Dundas Street West and Old Oak Drive, along the frontage of #2 Old Oak Drive & #58 Old Oak Drive, starting on Monday November 20th 2017. This is to accommodate the future residential development on Old Oak Drive. The estimated duration of the sanitary & watermain works will be approximately 15 - 20 working days, weather dependent. The road will be reinstated with surface asphalt and re-opened at the completion of these works. The developer has retained GTA Siteworks Inc. to complete these works on their behalf.

The work for the sanitary sewer will be limited to the North Side of the road, and the works related to the watermain will be limited to the South Side of the road, and adjacent to the following properties. #2 & #58 Old Oak Drive. Hours of Operation will be between 7:30am and 5:00pm.

Traffic will be maintained throughout the duration of the work. The Contractor will provide notice to the homeowners prior to any disruption to driveway access. There will be no anticipated disruptions to your water or sanitary services. If you have any questions or concerns regarding the work being carried out, please direct them to the Contractor or to this office at:

The Odan/Detech Group Inc. Attn: Frank Bartolac 905-632-3811 Ext. 136
GTA Siteworks Inc. Attn: Michael Poce 416-259-2527

In case of an emergency after hours, please contact the Contractor, Michael Poce at **416-358-0057**.

Yours truly,

Frank Bartolac
Senior Technologist / Inspector - The Odan/Detech Group Inc.
