Trenchless Structural Lining of Storm Sewer on Brentwood Road North from 128 Brentwood Road North to 109 Brentwood Road North

Contract: 17TW-OS-08CWD
Construction Window: May 14 – Sep. 28, 2018
Time on the Street: 4 - 7 Days

The City of Toronto will be structurally relining the storm sewer in your area during the above noted construction window. This project is part of the Council-approved Capital Works Program to renew our aging infrastructure, reduce the risk of leaks, and ensure continued long-term reliable sewer service.

MAP OF WORK AREA

WORK DETAILS

Relining of the storm sewer is completed in four (4) key phases as described below:

Phase 1 – Condition Assessment (1 Day)

- Inspecting the sewer with a closed circuit TV (CCTV) camera to verify condition.

Phase 2 – Cleaning and Preparation (1-3 Days)

- Flushing the sewer with high pressure water to remove any debris.
- Inspecting the sewer with a closed circuit TV (CCTV) camera to verify that it has been adequately cleaned.
- Obtaining sewer measurements for the purposes of manufacturing a custom structural liner for installation.

Phase 3 – Liner Installation (1-2 Days)

- Inserting a structural liner that will adhere to the existing pipe to form a new pipe wall. This is called a cured-in-place pipe.

Phase 4 – Inspection (1 Day)

- Once the liner is cured, the storm sewer will be inspected to ensure that there are no defects and that the sewer it is fully operational.

Of note:

- Access to the sewer is made through maintenance holes on the street; in most cases, excavation is not required. If the CCTV uncover the need for localized pipe repairs that require excavation, the area will be restored with sod and/or asphalt once construction is complete.

This public notice contains important facts regarding the rehabilitation of the sewer in your neighborhood. Please keep this public notice until the end of the construction window.

WHAT TO EXPECT DURING ACTIVE CONSTRUCTION

Weekday Hours: Work will take place from 7:00 a.m. to 7:00 p.m., Monday to Friday.

Please note, with approval from the City of Toronto, the following work schedules may be required **as needed**:

Weekend Hours: In an effort to minimize traffic disruption and congestion, work may take place on Saturday and Sunday, between 7:00 a.m. and 7:00 p.m.

Overnight Work Hours: In an effort to minimize traffic disruption and congestion, work may take place from 7:00 p.m. to 6:00 a.m., Monday to Friday.

Note: Work will not take place on statutory holidays.

	<p>Service Disruptions: There will be <u>no disruptions</u> to your water or sewer services.</p>
	<p>Construction Noise: You may experience intermittent noise and vibration during construction (from vacuum trucks, power generators, air compressors, etc.). All work will comply with the City of Toronto's Noise Bylaw.</p>
	<p>Road and Sidewalk Access: In order to complete the work in a safe manner, there will be road and sidewalk restrictions within the construction work zone. Access for emergency vehicles will be maintained at all times.</p> <p>Driveway Access: Typically, driveway access will not be restricted. If temporary restrictions to your driveway are necessary, the contractor will notify you directly in advance of the work.</p>
	<p>Traffic Management: Efforts have been made to manage traffic in the area for the safety of workers, road users and residents. Road users may experience delays as a result of increased traffic on nearby main and side streets if temporary road closures or lane reductions in the work area are required to complete the work safely.</p>
	<p>Parking: Parking in the active work zone is not permitted due to space requirements for construction equipment and materials. If your parked vehicle affects the construction work, it will be re-located with no charge to the owner. If your vehicle is moved, please contact parking control for its location at 416-808-2222.</p> <p>You may park outside of the inspection work zone. City Parking Officers will be advised not to issue tickets for "Parking in Excess of 3 Hours" on affected streets. Tickets will be issued for all other violations, such as parking too close to a corner or fire hydrant and other restricted areas.</p>
	<p>Garbage & Recycling: Please follow your normal routine. If required, the contractor will move bins to an appropriate location and return them. <i>Please ensure that you label your bins with your address.</i></p>
