

KIPLING

Regional Transit Hub

August and September 2018

Friday, August 17, South Lot - More than 400 new parking spots will open at the South Lot located at 400 Munster Avenue. The new parking area can be accessed via the existing South Lot entrance off Kipling Avenue (on the south side of the Kipling bridge).

Monday, August 20, North Lot - In the early morning, the North Lot will be closed for construction. Customers can use the 400 new spaces in the South Lot.

Tuesday, September 4, Passenger Pick-up and Drop-off (PPUDO), Pedestrian Tunnels - A new temporary PPUDO will open on the west side of Auckland Road, at the traffic lights, while the existing one is closed and renovated. The underground pedestrian tunnels from the north lot and PPUDO will also be closed. All entrances to the station will remain open during construction.
